Sydney Crawcour's work. Gordon Blake.

Hedoesnotfocus exclusively on founding entrepreneurs. The Economic Emergence of Modern Japan deserves to be required reading in its entirety for all advanced students of Japanese history, and for all students of economic history since the industrial revolution, as. The nation therefore built up the manufacturing and processing industries to convert raw materials imported from abroad. Most of the early lending activity of banks--through the s--had trade finance, support of agricultural enterprise or processing, or support of household sector consumption as its purpose, Yamamura writes.
