Connecting local environmental knowledge and land use practices: a human ecosystem approach to urbanization in West Georgia. According to Sarah Thomason personal communication the maintenance of word-order patterns from the L1 through the development of new discourse situations in the L2 may be the first step in full-scale

word-order change when two languages with different basic word orders come into contact. ColinFraserandKlausScherer,Both of these strategies can be accomplished in a variety of linguistic ways: dialect or language choice, pronunciation, vocabulary selection, and speech rate. As shown in Table 6, there is one case of agreement in the speech of Spanish-dominant bilinguals 1.
