Aparecen evidenciadas las estructuras tardoantiguas y los enterramientos. Apart from these cases, characterized by having begun their transformation in the High-Empire period, or examples of towns affected by natural disasters, it seems that, in Hispania, most forum-spaces entered the third century still performing the functions for which they were conceived, even though their architectural structures were already undergoing the first changes that would come to mark the beginning of Late Antiquity. Los enunciadores de los relatos testimoniales incluyen campesinos desahuciados, moradores de villas miseria, squatters. Elmurmullodelosfantasmas. Los modos en que los distintos pueblos han escapado de la enfermedad y la miseria son ejemplos de estrategias creativas, de modos alternativos de afrontar la dureza de la vida.
