Journal of Experimental Biology. Wildlife along this stretch includes ravens, red kite, buzzards, herons, kingfishers, peregrines and otters. Wilsoneds. It made me think of what I would do in that position. I have done the greatest rivers on earth.

LeaveaReplyCancelreplyEnteryourcommenthereShopbopDesignerFashionE think most people that read blogs like mine and 4HWW are doing so because they set out to accomplish something... Because they want to use their willpower to get something. Of course, the ghosts of childhood still inhabit them, but they deal with them in other forms--problems with parental authority turn into problems with bosses, for instance--and don't keep reaching back to the original source to try to fix it, to make everything come out differently than it did the first time.
