If you are unsure of anything please The Curse Tablet it. One of these houses possibly contained a bath suite incorporating a room and sunken pool heated through a small hypocaust system underfloor heating. Most of the curses are what we call binding spells: they aim at binding or inhibiting the performance of a rival. Kopanias, Chr. Is this because there were only professional magicians working in Egypt? That he made a similar association in the Laws is not further evidence but a repetition of a similar claim in a more explicitly normative tone.

Curses were written on wax, broken pottery, or lead, materials from the earth
