Even if the critics were able to undermine the democratic-peace proposition, their arguments would not negate the case for spreading democracy, because there are other reasons for promoting democracy. Reprinted in Brown, Lynn-Jones, and Miller, eds. These actions are inefficient as they increase risk taking without increasing the average effort supplied.

In October, the median sales price only increased 3%. McCurry's War. To begin to restore the economy, the government needs to acknowledge corrupt dealings and repatriate the huge amounts of cash that have fled the country as laundered money. The new administration has naturally resorted to printing its own faux money.

Third, the spread of democracy will serve American interests by reducing the
