Each poem is imbued with a gentle sensitivity and a generosity, to both subject matter and reader, which harks back to the old-school poets. MY dad was a mining man He mined coal from the coal fields of Northumberland As a child I would hold his hand looking at the blue scars and a bullet wound he had He never complained of being A Jar Of Sticklebacks I still remember washing his back of coal dust and the cuts where the stone from the mine dug in, He said just wash them son just wash them I am a miner's son, we had hardship illness and fun Sliding down a slag heap on a bit of conveyor belting A Jar Of Sticklebacks corrugated tin, It wasn't a race you could win, you just dragged it up and did it again and again Between the slag heap and the farmer's field, was a stream were stickleback fish would swim, Catch them put them in a jar with string around the neck What fun we had fishing in that beck. The decisions of uninfected sticklebacks to follow their infected conspecifics, may be an attempt to maintain shoal

cohesion rather than a motivation for higher risk-taking, even though the latter was the consequence of their behavioural response.

Visual inspection of the data suggested a possible need to model a variance-covariance structure. Least-squares means: the R package lsmeans. THE stickleback floundered about the boat, pricking and snapping until he was quite out of breath. Parasites were weighed to the nearest milligrams and the parasite burden was calculated as per cent parasite weight of total weight  $i$ .
