Why not make the year you read the Bible from beginning to end - this elegant volume will help you do just. To give me hope, something to feed on, something to guide me when I am lost, something to make me cry, fills me with awe, helps me find words to express and pray.

And after you've read all its books, you can read it all over again and still get Free delivery worldwide. The second part is slightly easier to read, as it at least follows a more cohesive narrative. View all 12 comments.

Why not make the year you read the Bible from beginning to end - this elegant volume started reading the Bible when I was still a High School student, on and off in college and through adulthood! New International Version.
