There were scenes in this book that brought tears to my eyes, and I will say that I should expect that from her writing. Celeste see's a kinship and wants to help this talented girl achieve her dreams like she did. A very enjoyable read. Unable to read or write, a near blind discovers love in the last place he expects to find. The many asides give the stories their strange power, as if they are being overheard rather than read. The secondary characters are reasonably prominent throughout the series, as best friends often are in our own lives, and many readers had formed opinions about Celeste going into this book. A very enjoyable read. If I could give this book more than five stars I would. On the surface it is everything I need, and henceforth hated most.
