It does not define away any destruction of rural land. Fantasy city: Pleasure and profit in the postmodern metropolis. There are simply fewer neighbors to get upset, and many of the affected property owners may actually be speculators looking to reap windfall profits by selling their real estate investments to developers.

Developmentandtheenvironmentalcrisis:redorgreenalternatives?

The authors began with the hypothesis that adding large numbers of new residents to a state is a significant factor in the development of additional rural land. All 49 states inventoried lost cropland. Homei A.
