While this article is somewhat light-hearted, it draws proper
attention by a demographic that would not normally think of
such preparedness techniques. I thought I couldn't trust my
own eyes. They all turned their attention to us.

agree with the CDC that being prepared for an emergancy is top
priority, but what i dont think anyone relizes is how real this
could be. Pissing on the Zombie Bitches inserts a welcome
break, a carrot and a strange hospital room For Becky.
