The dissemination of the internet has had a large impact on business and has created new opportunities for companies. Lessons to be learnt Scanning the external economic environment Source UNCTAD Media Markt should have scanned the external economic environment, such as why Best Buy exited the Chinese market, why the global retail chains such as Tesco and Walmart were scaling down their operations and also the government directions. Whyisthat? The remaining companies in the market however had time to expand their business at a steady pace. How useful is teamwork as a method of doing work?
