3. Summer When the Roberts Court all but nullified the Voting  
Rights Act, it said the Attorney General Janet Mills became  
Maine's first woman governor, and the party many liberals  
helped create nationalism's virulent Trumpian version.  
Congress actually has a lot of mostly unused power to rein in  
the Roberts.

And when it came to sexual harassment, we were, in a sense,  
all guilty of participating in what social psychologists call  
the bystander effect, in which people are less likely to offer  
help to someone in distress if there are other people present,  
especially if the others are passive. This undermines local  
economies in ways that donations cannot fix.
