The only friends he has are the animals he looks after; not even his mother understands. They still have a long way to go as there are still people plotting against them to reach their own goals, but love will conquer all. On the coast is the larger, more populous city of Maris, home to the fish-like Maris people.

And it was nice to see some of the characters from the previous books—WeeWilli Unfortunately, this book is not it. A very kind, fragile and sometimes sickly boy who has come to think of himself as unworthy and who can only find comfort in the animals he kindly cares. I know not everyone likes seeing children in romance, but I do like it especially when they are written well into the story. Is there a hierarchy? Add to Wishlist.
