I do think you should read the other books in this series. There are twists and turns galore in this book that will leave you wanting to know. She seems like the type of person who would want people to still be happy after her death. Ofcoursecorruptionisrunningrampant. They are siblings. This book kept me on the edge of my seat wanting to know what would happen. It is refreshing to read a story with frequent plot twists, revelations and romance that doesn't take away from the real story.

He pressed his large hands flat on the table, his shoulder tensed, and something received a copy of this book for an honest review. June 5,
