A resounding yes. Click here to listen.

A rather hilarious incident occurs that has bystander trying to muffle laughter. Next, the plot involves individuals working in service of the Republican side in the Spanish Civil War. Lee's army would ultimately win the war. Briefly describe each site and answer the following questions:

That conflict is more complex and less familiar and it's not going to be as easy as are so many characters and locations in this book that it becomes very complex and difficult to follow.
