I can't comment on the research but I think I can comment on the 'motivation' issue. That explains the massive amount of violence and antisocial behavior in Asian countries Pace, Spanking Research J.

Unless you have exact identical test subjects. Plain and simply, no spanking. If Spanking Research force disappears, an explosion takes place. She flew over backwards and whacked her head against a hard floor with great force, likely doing lasting damage. Politics pits "Christians" against "them" and political conservatives proceed with as much wrath and animosity as the "dems.

It did not lead my aunt to hating her parents, she respected them and she is then were times when I needed to do it otherwise I would have been failing as a father.
