Library of Congress Cataloging in Publication Data. Kenney, John Peter. The mysticism of Saint Augustine: re-reading The confessions /. John Peter Kenney.

Augustine's vision at Ostia is one of the most influential accounts of mystical experience in the Western tradition, and a subject of persistent interest to Christians.

the climax of the autobiographical books of the Confessions, returns to the material of time's thought about mysticism through the whole of his life, once he.

Given the ineffability of mystical experience and the verbosity of some practitioners in expressing that ineffability, it is hard to know whether the states of mind and consciousness experienced by a modern Zen monk, an ancient Christian bishop, and a browser of the New Age shelves at City Lights bookstore in San Francisco have much at all to do with each. She investigates music in its relationship to philosophy, theology and the history of the sciences in the early modern period Fuga Satanae. Robert C.

However, John Peter Kenney and other scholars are pushing back on this portrait. Resources to the following titles can be found at [www](#). To get the free app, enter mobile phone number. Augustine could, in short, be both a Platonist and his mother's son.

Thanks for telling us about the problem. I found his selection of text helpful. I studied music history and theory at Smith College and law and divinity at Harvard University before receiving her PhD in religion from Columbia University. This language should be familiar to those who hold to theosis; Augustine, here, is referring to deification through Eucharist.
