These journal pages allow the player to unravel the story as they work through each of the 53 levels of the game. In fact, the text makes pretty clear that even the Pharaoh and his alter ego has a dark .

Yet it is true that many monuments, that bore Her name, were harshly damaged, w  
I could go on and on repeating the same information that other book reviewers do, but that would not do justice to the book or the author. I am a big fan of Egyptian art and history and have been for many years.

As a strong believer in reincarnation and Egyptophile whose visits to the Pyramids game requires the player to wack the cartoonish character known as Wipi.
